## Message from the President

Dear friends, supporters, and well-wishers,

It is with immense pride and gratitude that i present to you the **PRAGATI SANSTHAN BARAN** annual report for the year **2023-24**. This year has been an incredible journey of growth, learning, and impact. Despite the challenges, our dedication to improving the lives of underprivileged communities has never wavered. Through the support of our team, volunteers, donors, and well-wishers, we have expanded our reach and introduced new programs to address critical issues, such as education, healthcare, and skill development.

This report provides a comprehensive look at our key achievements, financial management, and the life-changing impact we've had on the ground. None of this would have been possible without the collective efforts of our staff, partners, and donors. Together, we have empowered communities, promoted sustainable development, and brought hope to countless individuals.

As we move forward, we remain committed to our vision of creating a just and equitable society where every individual has the opportunity to live with dignity. I thank you for your continued support and trust and look forward to another year of impactful service.

Warm regards,

Lalit Kumar Vaishnav

**PRESIDENT**

## **ABOUT AND OVERVIEW**

PRAGATI SANSTHAN BARAN is a leading development organization dedicated to empowering communities and fostering sustainable growth. With a strong focus on natural resource management, the organization has been instrumental in implementing successful projects in the Baran district of Rajasthan, India.

Known for its expertise in institution building, PRAGATI SANSTHAN BARAN offers a comprehensive range of programs, including informal education, microfinance, capacity building, and dry land development research. These initiatives are designed to promote sustainable regional development and enhance the well-being of local communities.

## Executive Summary

The pragati sansthan baran is pleased to present its annual report for the fiscal year 2023-24. Over the past year, the foundation has remained steadfast in its commitment to empowering youth and fostering positive social change. Through a variety of programs and initiatives, we have reached out to thousands of individuals across various communities, providing them with opportunities for education, skill development, and community engagement. Our efforts have been guided by a strong belief in the potential of every individual and a deep-rooted commitment to creating a more equitable and inclusive society. The foundation's programs have focused on addressing key challenges faced by youth, including poverty, unemployment, and lack of educational opportunities. We have implemented initiatives such as vocational training programs, mentor-ship schemes, and community development projects to equip young people with the skills and knowledge necessary to succeed. By working in partnership with local communities, government agencies, and private organizations, we have been able to leverage resources and maximize our impact. The foundation's annual report highlights our key achievements, challenges, and future plans. We are grateful for the continued support of our donors, volunteers, and partners, and we remain dedicated to making a lasting difference in the lives of young people.

## **+ PROGRAM/ACTIVITY +**

The PRAGATI SANSTHAN BARAN has been actively engaged in a wide range of health and skill development initiatives throughout the year, aimed at improving the well-being of the community and providing essential life skills to individuals. Below are the detailed descriptions of the programs conducted:-

### **INDIRA RASOI**

**Budget:** ₹3,530,949

**Location:** Baran

The Indira RasoI initiative, funded with a budget of ₹3,530,949, is an essential social welfare program implemented in Baran to address urgent issues related to food security and malnutrition. Established as a government-driven effort, this program aims to provide affordable, nutritious meals daily to some of the most vulnerable members of society, including children, elderly citizens, and people with disabilities. The program's mission is rooted in improving public health by ensuring that these groups have consistent access to high-quality, wholesome meals that can strengthen their overall health and resilience. The community kitchens under Indira RasoI are meticulously designed, prioritizing accessibility and ease of use for beneficiaries, with a focus on maintaining the highest standards of hygiene and safety.

Beyond the provision of meals, the success of Indira RasoI relies on a well-coordinated supply chain, sourcing fresh ingredients that meet both nutritional and taste standards. The program also places emphasis on employing skilled and dedicated staff who are responsible for kitchen operations, food preparation, and distribution. Staff members undergo rigorous training in food safety and quality control to ensure each meal meets the desired nutritional requirements. This initiative does not merely serve food; it creates a welcoming environment for people in need and works to foster a sense of dignity and community.

# NEHRU BAL VIDYALAYA

**Budget:** ₹3,580,000

**Location:** Baran

With a budget allocation of ₹3,580,000, Nehru Bal Vidyalaya in Baran is a transformative educational initiative aimed at bridging the educational divide for underprivileged children. This program was established to create a nurturing and stimulating learning environment, particularly for children from economically disadvantaged backgrounds, enabling them to build essential skills and realize their full potential. The school offers a comprehensive curriculum designed to foster both academic and personal growth, ensuring students receive a well-rounded education that promotes intellectual curiosity and personal confidence.

Nehru Bal Vidyalaya provides access to modern infrastructure, which includes well-equipped classrooms, libraries, and play areas, creating a positive atmosphere for both learning and recreation. The program places strong emphasis on employing skilled and experienced teachers who are trained to adopt child-friendly pedagogies, ensuring that each student's unique learning needs are addressed. Teachers are encouraged to implement engaging teaching methodologies that inspire students to develop a love for learning and curiosity. This program also invests in co-curricular and extracurricular activities, promoting holistic development by encouraging participation in sports, arts, and life skills training. By prioritizing academic excellence and fostering a supportive learning environment, Nehru Bal Vidyalaya is instrumental in transforming the lives of Baran's young learners, empowering them with the skills, knowledge, and confidence they need to build a brighter future for themselves and their community.

## NYUTREE HUB (NUTRI GARDEN)

**Budget:** ₹1,524,497

**Location:** Baran

The Nyutree Hub, also known as the Nutri Garden, is a community-centered initiative with a budget of ₹1,524,497 that seeks to address food security, promote nutritional awareness, and support environmental conservation in Baran. The Nyutree Hub provides communities with a sustainable source of fresh fruits, vegetables, and herbs, encouraging the local cultivation of nutritious foods to address dietary deficiencies and foster healthier eating habits. This initiative supports community gardens where organic farming practices are prioritized, empowering residents with the knowledge and skills needed to grow their own produce while minimizing the use of harmful chemicals.

In addition to promoting food security, the Nyutree Hub places a strong emphasis on water conservation and sustainable farming practices, aligning with the broader goals of environmental protection and resource management. Local residents are educated on organic farming techniques, composting, and efficient water usage, which are integrated into the gardening practices to reduce environmental impact. These gardens also serve as educational tools, offering a hands-on learning experience for schoolchildren and community members, who are encouraged to take part in workshops on agriculture, health, and sustainability. By fostering a sense of community and environmental responsibility, the Nyutree Hub initiative is helping Baran's residents embrace healthier lifestyles and sustainable practices, all while providing a steady source of nutritious food that can support improved health outcomes across the community.

# Workshop Program

**Budget:** ₹19,895

**Location:** Baran

With a modest budget of ₹19,895, the Workshop Program in Baran is a dynamic initiative focused on skill enhancement and capacity building. Designed to address the pressing need for vocational training and economic empowerment, this program offers a series of workshops on various topics, including entrepreneurship, digital literacy, and vocational skills. The program aims to provide accessible training opportunities that can enhance the employability and entrepreneurial skills of community members, particularly youth and women who may not have access to conventional educational resources.

The Workshop Program serves as a platform for practical learning, offering hands-on experience in areas that are critical for local economic development. Participants are introduced to a range of vocational skills, from computer literacy and digital tools to craft and trade skills, which can improve their chances of finding gainful employment or starting small businesses. By focusing on digital literacy, the program helps bridge the digital divide, making essential digital skills accessible to participants who may otherwise lack exposure to technology. The entrepreneurship workshops, on the other hand, guide aspiring entrepreneurs on how to set up and manage small businesses, offering insights into basic financial management, business planning, and marketing. Through these targeted training sessions, the Workshop Program empowers Baran's residents to gain practical skills that enhance their economic prospects, contributing to the creation of a skilled and resilient workforce that can drive local development and innovation.

## + FUTURE OUTLOOK +

The PRAGATI SANSTHAN BARAN envisions a future where its impact on the community continues to deepen and expand. The foundation has identified several key areas of focus for the coming years:-

### **Expanding Reach and Impact:**

- The foundation aims to extend its programs to reach a wider geographical area and serve more underprivileged individuals and communities. This will involve establishing new partnerships and collaborations with local organizations, government agencies, and other stakeholders.
- The foundation also plans to scale up existing programs, such as the education awareness seminars, skill development workshops, and women empowerment initiatives, to benefit a larger number of beneficiaries.

### **2. Enhancing Program Quality:**

- The foundation is committed to continuously improving the quality and effectiveness of its programs. This will involve regular monitoring and evaluation, incorporating

feedback from beneficiaries and stakeholders, and adopting best practices from the social sector.

- The foundation will also invest in capacity building for its staff and volunteers to enhance their skills and knowledge, ensuring that they are equipped to deliver high-quality programs.

### **3. Embracing Technology:**

- The foundation recognizes the transformative potential of technology in the social sector. It will leverage digital platforms and tools to streamline operations, improve communication, and reach a wider audience.
- This will include developing a comprehensive website and social media presence, creating online learning modules, and utilizing mobile applications for data collection and program management.

### **4. Diversifying Funding Sources:**

- To ensure financial sustainability and reduce reliance on volatile funding sources, the foundation will actively seek to diversify its funding base. This will involve exploring new avenues such as corporate partnerships, crowdfunding, and social impact investing.
- The foundation will also focus on building long-term relationships with donors and supporters to ensure a steady stream of funding.

### **5. Advocacy and Policy Influence:**

- The foundation will play an active role in advocating for policies and programs that support the empowerment of marginalized communities. This will involve engaging with policymakers, participating in public discourse, and conducting research to inform policy decisions.

### **6. Sustainability and Environmental Responsibility:**

- The foundation recognizes the importance of environmental sustainability and will strive to minimize its ecological footprint. This will involve adopting eco-friendly practices in its operations, promoting environmental awareness among beneficiaries, and supporting initiatives that address environmental challenges.

## + CONCLUSION +

As we conclude this annual report, we reflect on a year marked by significant achievements and unwavering commitment to our mission.
